Display LC became official representative Partner for GiantPlus Technology Co., LTD in Europe!

Display LC can proudly announce the cooperation with the Taiwanese display manufacturer GiantPlus Technology Co., LTD in Europe.

GiantPlus is a well-known company for small and middle sized displays targeting industrial, automotive and white goods applications. Their product range is starting up at 1.77" and fits 15" on top.

GiantPlus has own LCD and LCM panel and module production lines and supporting their customer base with standard and full - customized products on demand.

Related to this partnership in Europe, Display LC is awarded to be the representative of GiantPlus Technology Co.,LTD.

This will allow Display LC to continue an excellent support to our home markets and customer base in Europe.

We are looking forward to a successful partnership with GiantPlus Technology Co., LTD.

Display LC AG, November 2017
